

My Favorite Hobby: Photography

Photography has always been my passion. It's an *art* and science that allows us to capture moments in time. It's more than just taking pictures; it's about telling a story and seeing the world from a different perspective.

Essential Photography Gear

- Digital Camera
- Tripod
- Camera Lenses

Basic Steps to Get Started with Photography

1. Choose the right camera and lens.
2. Learn the basics of composition.
3. Practice shooting in different lighting conditions.
